BASSANO, ALBERTA, THURSDAY, JUNE 6th, 1940.

Subscription: Canada, \$2.00 per year.

Town Council Met Mon. Eve.

A regular meeting of the Bassano Council was held in the Town Hall on Monday evening of this week with all Councilors present, and Mayor Mayfair in the Chair.

The meeting was devoted to discussions on topics of general importance to the town.

One application for old age pensions was received and approved.

A thorough discussion of the local nuisance grounds situation took place, and members of the council expressed the opinion that the premises should be thoroughly cleaned up, and regulations formed for the guidance of persons using the grounds in future. One of the council committees were instructed to look into the matter, and submit a report outlining necessary steps to be taken in cleaning the grounds up.

The Town Engineer reported that pumps at the pumping station had been operated during the month, and that the auxiliary gas plant was working satisfactorily.

He also suggested several recommendations to the council, pertaining to the nuisance grounds and the control of traffic on local streets. His report revealed that he was constructing a new automatic device to control the pumping of water into the reservoir located just south of town.

The treasurer's reports showed that receipts for the month of May amounted to \$1,261.00 and payments for the month amounted to \$4,982.

The following accounts were presented and passed for payment:

| | |
|----------------------------|------------|
| Bennet & White Const. Co. | \$273.00 |

Realize \$18.25 At Lilac Tea

A Lilac Tea, held at the home of Mrs. J. Snape of Bassano on Saturday afternoon last, netted the local Branch of the Red Cross the sum of \$18.25.

Plans had been made to hold the tea on the spacious lawns surrounding the Snape home, but cool weather made alterations of these plans necessary.

Miss Fern Ferguson, and Miss Henlen Martin assisted ladies of Knox Presbyterian Church Ladies Aid in serving at six tables. The tables were tastefully decorated with white and purple lilacs, and with Lily of the Valley.

Members of the Ladies' Aid wish to thank the many citizens of the town and district who assisted in making the tea such a success.

Increase Prize Money For July 1st Stampede

Walter Peake To Manage Bucking Events

FINEST PROGRAM EVER PRESENTED ALL ARRANGED

Arrangements to present the finest program of Stampede events, races, and athletic events, and numerous other attractions, to citizens of the entire district are rapidly being rounded out by the local Board of Trade, as the date of the big show draws near. The organization sponsoring the day have gained a reputation in past years of presenting a display second to none in the central part of the province, and under the capable guidance of James Johnston, president, they are out to set a record this year.

Walter Peake, old time rancher of the Finnegan District will again manage the Stampede portion of the program. Last year, Peake brought the wildest horses in the district to Bassano, and an excellent display of bucking was enjoyed by approximately two thousand persons. Peake claims that this year's crop of bronks will be wilder than ever, following a long winter on the range, and following their appearance here, they will be taken to Calgary to perform in the Calgary Stampede. Thus persons who thrill at the sight of a bucking horse have a real treat in store for them at the 1940 Bassano Stampede. The bucking program will commence at 1:15 sharp.

Increase Prize Monies

The committee in charge of the Stampede events announce that practically all prizes will be enlarged over last year. The card of bucking events reads as follows: Bucking with Saddle, entry fee \$1.00, fee added; first \$30.00; second \$15.00; third \$7.50. Bucking bareback, entry fee 75c, fee added; first \$10.00; second \$5.00; third \$2.50. Calf Roping, entry fee \$1.00, fee added; first \$20.00; second \$10.00. Wild Cow Milking, first \$5.00; second \$3.00; third \$1.50. Steer Riding for boys 15 years and under; first \$4.00; second \$2.50.

The racing card has been improved upon this year, and will be under the management of B. F. Hartley of Bassano, who has had considerable experience in racing. Six races will be run during the afternoon, the card reading as follows:

Free for all 1 1/2 mile, entry fee 75c; first \$15.00; second \$10.00, third \$5.00.

Relay Race, 1 1/2 mile, first \$15.00; second \$10.00; third \$5.00.

Barrel Race, Saddle on ground to start and two barrels used, first \$8.00; second \$5.00.

Ladies' Race, 1 1/2 mile, entry fee 75c, first \$10.00; second \$5.00.

Indian Race, entry fee 50c, 1/2 mile, first \$8.00; second, \$4.00.

Any horse running in the free for all is not eligible to run in the Ladies' Race or the Indian Race. All entries in the above cards must be made before 12 o'clock on July 1st.

Adults and Children's athletics will get under way at 1 p.m. Mr. S. Meeres of Bassano has arranged a complete program for this section of the entertainment, and cash.

(Continued on Page 5)

Team Loses 2 Games Sunday

Playing under ideal conditions before a large crowd the Millicent Oilers won both games of a double-header on Sunday, June 2, over the Bassano Imperials by scores of 10-4 and 7-4.

Baseball enthusiasm was rekindled in this town as a large crowd of spectators cheered on a rather nervous local team playing their first game. The sharp voice of Ralph Burrows commanding from the bench and the easy windup of Chas. Connolly made the average fan recall former days when Bassano was definitely on the ball map.

Connolly was outstanding in the second game, allowing one run after relieving Pete Ferguson, who ran into trouble from the Millicent hickory early in the second game.

The local squad got away to a good start managing to score two runs in the second by Marquardt and Broadfoot and keep within reach of the winners. A hitting rally about mid-way sent Snape, who had been pitching a fine speedball, to the cooler with Rockwell coming in to do a fine job of relief hurling. Bassano bats began pounding out hits in the seventh but only two players, Massey and McBride, reached home leaving three stranded on the sacks.

BASSANO IMPERIALS—McBride, Massey, Hayes, Marquardt, Broadfoot, Arrison, Rockwell, Nail, Connolly, Snape, Bacon.

MILLICENT OILERS—Sears, Bichel, Charlton, Rasmussen, Connolly, Koffman, Rumose, Stair.

UMPIRE—J. Bulger.

In an attempt to bring a victory in the night-cap Coach Burrows re-arranged the locals, leaving only one man in the position he had in the opener. The club had a stroke of hard luck letting the visitors gain seven runs. After Connolly came in to pitch the team settled down and played "heads-up" ball.

Rasmussen, wiry Millicent lad led the batting for the visitors.

Stair pitching for the visitors in the second game showed good control but little speed.

These two teams again meet in a double-header at Millicent next Sunday. The local club solicit your support in home games. Aid sports by turning out to see a ball game at the Sports Diamond.

BORN AT THE HOSPITAL

To Mr. and Mrs. J. Punko, Bassano, a son on May 31st, 1940.

Mrs. Cowan and daughter, Mary Alice, and Johnny Bacon, spent a few days visiting friends in Calgary.

Miss Napier was a Calgary visitor last week.

Mr. and Mrs. A. S. Currie were Calgary visitors over the week-end where they attended the wedding of Mrs. Currie's sister.

Track and Field Meet To Be Held Tomorrow

EXPECT RECORD NUMBER OF ENTRIES IN VARIOUS EVENTS

Tomorrow, Friday, June 7th, will see children from practically all schools between the towns of Brooks and Strathmore gathered together in Bassano to take part in the annual Bow Valley School Track and Field Meet. The meet serves as a final competition for students from three separate divisions, namely the Bassano-Brooks Division, the Gleichen or Central Division, and the Strathmore Division. In each of these districts, meets have either been held earlier this season, or last fall, and students winning events appointed to represent the division at the Bassano Meet.

Last year the final meet was held at Strathmore, and students from this Division made every commendable showing. However, the Strathmore division succeeded in winning the Jimmy Condon cup, awarded to the district securing the largest number of points at the meet. Local students are determined that the cup will move eastward following Friday's competitions.

Parents in the district are invited to be present at the sports ground to witness the various competitions and support their favorite athletes. It is expected that several previous records for this division will be shattered during the course of the day.

Local merchants are prepared for the invasion of children, and will be ready to answer demands for candy and ice cream that they will make.

The local theatre will run a special show for the kiddies commencing at five o'clock in the afternoon. An appropriate picture has been chosen for this occasion, none other than the highly rated film "The Wizard of Oz". This no doubt prove a great attraction to the outside visitors.

Following is the time table of events:

CLASSES G & H

10-10:15 a.m.

DASHES—100 yards—H Boys; G girls, G boys.

10:15-10:40 BROAD JUMP—H boy, G girls, G boys.

10:40-11—Hop Step and Jump—H boys, G boys.

11:15-11:30—RELAYS—H boys 880 yards, G girls 400yards, G boys 880 yards.

1:30-2 p.m.—THROWS—H boys, G girls, G boys.

1:30-2 p.m.—HIGH JUMP—

A boys, A girls, B boys, B girls.

2-2:40—THROWS—A boys, A-

Iron Lung Shipped To Local Hospital

All members of the Board were present at the meeting of the Hospital Board held at the hospital on the evening of Saturday June 1st. Correspondence from the Deputy Minister of Public Health was read to the effect that the Iron Lung, Donated by Lord Nuffield had been shipped, with several others, via Vancouver.

The matter of the hospital rates paid by the Workmen's Compensation Board was also discussed by the Board at the instigation of the Hanna Municipal Hospital. An effort will be made at the next Convention of Hospitals next fall to have those rates increased.

Accounts totalling \$1139.17 were passed for payment.

The Superintendent reported that, during the month of May, 42 patients had received treatment; 8 babies had been borne (five girls and three boys); one patient died and five major operations had been performed.

The Secretary's report showed that the earnings of the Hospital for the month of May were \$1449.36 the total receipts from all sources were \$1262.98 and the payments \$1464.92.

A resolution, sponsored by the Stettler Municipal Hospital, reading as follows:

"RESOLVED that for the duration of the war, soldiers' dependents resident within the hospital area, be granted the rates accorded to ratepayers as patients, without being required to pay the annual nonratepayer fee, where such might otherwise be payable."

was adopted unanimously by the Board of this Hospital. It means all soldiers' dependents who live within the boundaries of Bassano Municipal Hospital District, but who are not ratepayers, will not be required to pay the annual fee of six dollars to make them eligible for the one dollar per day rate. A large number of the accounts of delinquent debtors was reviewed and, in many cases, the Board ordered that the debtors be sued.

The next meeting of the Board will be held on Saturday, July 6th at 7 p.m.

LODGE TO PARADE TO CHURCH

The next service at the Anglican Church, Bassano, will be held on Sunday, June 23rd at 11 a.m. when the members of the Masonic Lodge will parade in a body to the Church. The services will be conducted by the Rev. J. H. Naylor, the Incumbent and will be in the form of Morning Prayer. There is plenty of accommodation in the church, and everyone is invited to attend on that occasion.

girls, B boys, B girls.

CLASSES C & D

10-10:35—THROWS—C boys, C-

girls, D boys, D girls.

WAR SAVINGS CERTIFICATES

War Savings Certificates

The government could have called them "National Safety Certificates."

For that in stark truth, is what they are. War Savings Certificates are what, in peace days, we might call a "fine investment." They make for thrift, lay a foundation of security appeal to the spirit of self-respect (and self-reliance). On these grounds, as well as upon the grounds of democratic responsibility, of a wider devotion to the democratic creed of voluntary citizenship, they meet a need.

But, far more than these things, and more terribly vital, War Savings Certificates are a challenge to patriotism. They are a call to all of us, and provide the means for all of us, to answer the challenge of war service; a dictate of war duty which no one can ever expect to be forgiven for ignoring.

War Savings Certificates are OUR share in this war. They ask us whether, in this terrible conflict, with all that we are or ever hope to be at stake, we are content with lip-loyalty to our cause; content with abuse of Hitler; unwilling to make even moderate sacrifice for the sake of all our future.

In war-rocked France today the soldiers of democracy are dying for its defence. Are we willing to contribute something to feed and arm them, to sustain their strength, to tell them that back at home their peoples are supporting them?

This, this above all else... is the challenge of War Savings Certificates.

Over in Old England across the seas men and women and little children, workers and farmers, old and young, rich and poor, humble and obscure, are yielding their all for victory. Giving up in taxes, subscribing to loans, buying war savings certificates, they are giving a testimony of devotion to democracy and liberty as noble as anything that history has seen. It is for us here in Canada to show whether such devotion is ours, whether democracy and freedom means as much to us as it does to them.

Let us in these coming weeks give proof of such devotion. Let us make this War Savings Certificate campaign a crusade; telling our Government and men on land and sea and in the air, that we

LOCAL AND DISTRICT CITIZENS RALLY TO Y. M. C. A. CAUSE

With still several outside points and one local canvas team to hear from, the local committee in charge of the Y. M. C. A. Drive for funds in this district informed the Recorder on Wednesday that the sum of \$355.03 has already been turned over to the secretary. The response of citizens to the plea for funds has proven very gratifying, and canvassers report that in nearly all cases, persons approached for donations were willing to help. It is expected that, when all contributions are handed in to the secretary, approximately five hundred dollars will have been secured. Full particulars will be published at a later date.

SUB-DIVISIONAL MEETINGS TO BE HELD IN BOW VALLEY S. D. No. 43 DURING MONTH

Sub-divisional meetings of trustees, Inspector and ratepayers will be held in Bow Valley School Division No. 43, during the month of June at the following points.

June 25th—Sub-divisions 4 and that part of 5 south of the Bow River, in Queenstown, at 2 p.m.

June 26th—Sub-division 3 in the Alton School, at 1:30 p.m.

June 26th—Sub-division 2, in the Sunny Range School at 7:30 p.m.

June 27th—Sub-division 1 in the Wintering Hills school at 7:30 p.m. Reports of the secretary-treasurer and superintendent of the division will be read, and business of each district thoroughly discussed. Persons in the above districts who are interested are urged to attend these meetings.

BOYS IN THE ARMY

While the European Crisis grows hourly graver and graver the call for men spreads to the prairies and from the town of Bassano youth answers the call.

Young Henry Morrison, popular son of Mr. and Mrs. George Morison was accepted as a Signaller this week. Henry was one of the best signallers in the Scout Troop for some years, showing a natural aptitude for relaying a message by means of flags. In sports Morrison was regarded as one of the

light behind them. It is the least, God knows that we can do.

All Set for Bd. Trade Dance Tomorrow Night

After a successful debut here on May 12 Sonny Fry and The Gentlemen of Music have been re-engaged by the Bassano Board of Trade to play for their opening dance in the summer pavillion in the curling rink on Friday June 7th.

Dancers will remember what a hit Sonny and his band of entertainers made when they began playing their modern rhythms in a style that made everyone want to dance. The music is clearly audible in all corners of the hall as a loud speaker system is used by the orchestra.

The curling rink hard-wood floor is very commodious and very smooth to dance or whether it be a gliding waltz or a "jitterbug special," a one step.

The Board of Trade in the past have been the sponsors of very successful dances and the engagement of this first class Calgary Orchestra can mean nothing but success.

Everyone is cordially invited to attend. Those that attended the first dance certainly do not need an invitation and those unfortunates who didn't are only too eager to be on hand. From reports from surrounding districts a sizeable crowd is anticipated.

For genuine enjoyment attend the Bassano Board of Trade dance in the curling rink building on June 7th, commencing at 9:30.

Admission prices are remarkably low for the calibre of music to be presented.

Remember — Bassano Curling Rink Dancing Pavillion — Friday, June 7th — Sonny Fry and the Gentlemen of Music.

RED CROSS ASKS AID FOR FRENCH ARMY HOSPITALS

Blankets Needed For Refugees From Nazis

There are 23,000 hospital beds being used for war service in France. In addition there are 5,000,000 refugees from devastated countries already in, or converging on, the French capital, seeking succor and safety.

The immediate problem of the finest swimmers among the younger generation.

Word has also been received that David Walsh has enlisted in another section of the Army. "Tubby" as he was colloquially known, is the well known son of Mr. and Mrs. Jack Ryan of this town.

To these fellows we wish good luck and the sincere backing of a town who is pulling for their safety. Both boys passed through Bassano on Wednesday evening and Thursday morning en route to an eastern training point.

When an article appeared in the Calgary dailies Tuesday morning requesting men from 18 to 46 to register in the Youth Training Dominion Provincial scheme for training in airships construction

three local lads immediately went to the city to offer their services.

Two of the boys, Jim McBride and Armand Zelinski, have been actively interested in the construction of model airplanes for the past six or seven years. The pair can name the principal parts of an airplane with facility. Both boys could be called air "maniacs" and with the necessary training will probably develop into skilled artisans of the first degree.

The third member of the party, Chet Lewis, who due to age was honorably discharged from active service, is already an experienced mechanic in the manipulation of Deisel machinery. That "ven" for air and anything allied to aeroplanes is strong in this youngster.

Whether or not their applications will be recognized is uncertain but the Recorder wishes these boys the best for going to the colors for Canada.

JAMES JOHNSTON

"THE STORE OF QUALITY"

French Red Cross is the supplying of blankets for this host of suffering humanity. The Canadian Red Cross is urged to come to the rescue.

Blankets of wool only and either new, or as good as new are required. If you have any you can spare get in touch with the Red Cross Branch.

With intensification of the war in France, Red Cross calls are insistent for more and more surgical supplies. Workers are urged to increase their effort and to send every completed article or garment immediately to Divisional Headquarters, where daily shipments are being made.

Auxiliaries supplying regimental comforts for Canadian soldiers overseas may ship them through the Red Cross, provided they are plainly marked with the name of the military unit to receive them and its location, also a record of the name of the comforts in the name and address of the sender.

Such parcels must not contain foodstuffs, tobacco, cigarettes, matches or lighter fluid. These cannot be delivered outside of Great Britain.

Supplies received from our Branches in this Province already shipped by the Alberta Division of the Red Cross to British Headquarters total 99,628. Surgical Dressings number 75,924 articles.

DISPOSITION OF RED CROSS FUNDS

(Based on \$1.00)

War work by National Council: 44 cents
War work by branches 36 cents
Peace time services 14.5 cents

HITLER'S NIGHTMARE

There's a rumor about, though strong as it may seem, Of Adolf Hitler and his wonderful dream.

Being tired of the Poles, he lay down in bed; And amongst other things dreamt he was dead.

Not long after being dead he found to his cost, That his soul as well as his soldiers would be lost. On leaving this earth to Heaven he went straight; And reaching there gave a knock on the gate.

Sir Peter looked out and in voice loud and clear, Said, "Begone Adolf Hitler, we don't want you here." So Hitler turned and off he did go, With the real German goose step to the regions below.

But the devil to his friends gave this warning, "I'm expecting that dictator, Adolf Hitler, this morning. But don't let him in for to me 'tis quite clear; He's a worse man than I am, he'll want to rule here.

And once he gets in there'll be no end to quarrels, His evil example will spoil all our morals."

"Excuse me for listening," the Dictator cried, "But I couldn't help hearing while waiting outside.

If you won't let me in, where will I go?"

"Well," said the Devil "I really don't know."

Said Hitler, "Just give me a corner no matter how hot."

Said the Devil "I most certainly will not."

"Here's sulphur and matches, a pronged fork as well, Go sit on them and make your own hell," And spitting on Hitler he vanished in smoke. But at that time the Fuhrer awoke,

He jumped out of bed his moustache damp with sweat, And sad, "That dream I'll never forget, I won't won't get to Heaven I know very well, But it is just too bad to be kicked out of Hell."

Bassano's Iron Man of Baseball

By D. L. Downs

Last Sunday, the local Ball Club suffered a double defeat administered by the Millicent Oilers. To most players on the Bassano team it was a couple of good games; to others it was just another ball game; some were a little remorseful about being trimmed twice; a few of the boys, playing their first game of the season, found it just a little tough on dormant muscles, but to one of the men who took part for the local club, an anniversary was marked.

Ralph Burrows, veteran baseball player, who lives at Countess, started his twenty fourth season of baseball in Canada last Sunday. It was on June 2, 1916, that Ralph played his first game of ball in this district.

On that eventful day, the Gem Colony baseball team motored—or came by buggy, we just forget—to Bassano to play the local nine. With the Gem team was a husky young farmer who had just arrived from the States and was reported to be pretty "hot stuff" as a ball player. That player was Ralph Burrows and it is needless to say he proved to be a valuable player, not only in that game, but in many games for years to come.

During the twenty four years that Ralph has been playing ball in this district he has played many seasons with the local club. Even in the years that he was not connected with the Bassano team he has never failed to play at least one game on the local diamond. Old Timers of the district are able to recall when Ralph and

"Billy" Fortier teamed up—Ralph pitching and Billy catching—to make one of the toughest combinations in baseball that this district has ever seen. Whenever the umpire used to announce this battery, ball fans used to settle themselves down for some real baseball—providing the opposition was fairly good.

After Ralph's "soup bone" began to stiffen, he took over the "hot corner" and for several years was almost an entire ball team himself, as he covered practically all the territory between short and third. He never failed to make this position on every All Star team that was organized between Calgary and Medicine Hat, even playing with teams from these two cities.

The fielding ability of this veteran ball player was not his only qualification. On very few line-ups, did Ralph miss the cleanup position. With a man on base and Burrows at bat, one run, was almost conceded and quite often two—Ralph used to hit a powerful lot of home runs. The height of Ralph's ambition when playing on the local diamond, was to place one in the school grounds. Many a baseball has been found in the trees surrounding the school yard, with Burrows trade mark on its horsehide cover. In the days when Ralph and Billy Fortier starred on the local team, opposing fielders spent most of their time either in the school grounds or in J. Rathbones front yard.

So far did Ralph use to hit them in those days that the men playing field for the visiting team, rode bicycles and carried telescopes. Even if one of his "high" ones was

picked off, a man on base could practically walk home after the fly was caught, before the ball was returned to the infield.

Ten years ago this writer was told that Ralph Burrows was quitting baseball, but after twenty four successful seasons he can still bolster a pretty fair ball club and will no doubt continue to do so for several more seasons.

WORLD'S GREATEST TRAVEL SYSTEM

Illustrated: Chevrolet Special De Luxe Sport Sedan.

And that's what we call **Performance!**

THERE are a good many reasons why Chevrolet is the big popular choice. Among lowest-priced cars, it's the longest of the lot—from front of grille to rear of body... and, most people think, the loveliest.

Its new Vacuum Power Shift, that does 80% of the work of gearshifting for you, is a feature no buyer can overlook.

Five features combine to give you what has just naturally been called the "Ride Royal".

And, on top of all these, there is its performance—

such lively, nimble, easy-riding, easy-guiding performance as you've always dreamed of enjoying.

What price Chevrolet performance? Why, the very lowest price that ever bought smile-a-minute miles per hour. Because gas and oil economy is one of the most outstanding features of this greatest of all Chevrolets.

Eye it... Try it... Buy it—and be enthusiastic over the most satisfying value ever bought at a price so low!

MAKEPEACE

Miss Mabel Jones of Gleichen spent the week-end visiting at the home of Mr. F. Rodbourne.

Miss Mildred Martin and Mr. Alvin Sandquist were Sunday evening callers at the home of Mr. and Mrs. V. Capron.

Miss Mary Boyle and Monica Brooks spent a very enjoyable week-end visiting at the home of Mr. and Mrs. Chase of Cluny.

Miss Mary Rodbourne, Miss Mabel Jones, Miss Leah Rodbourne, Mr. Arthur Rodbourne, and Mr. Bill Rodbourne were Sunday callers at the home of Mrs. I. Hefflebower. Later they also visited at

the home of Mr. and Mrs. V. G. Campbell.

Mrs. I. Hefflebower and Mrs. J. McBeth visited at the home of Mrs. Snape of Bassano on Wednesday last.

Makepeace was well represented at the hard-ball game in Bassano on Sunday. Those we know of were: Mr. and Mrs. J. Bulger, Mr. and Mrs. F. Nail and daughter, Lola, Miss Helen Martin, and Miss Mildred Martin, and Mr. Alvin Sandquist.

Mr. Dick Gellings, Mr. LeMir Palmer of Rosemary were callers at the home of Miss Lois Arrison. **RIDDLES:**—What went fishing but found nothing but lovely ladies and beautiful blankets?

Who worked all day Friday, danced all night, arrived home on Saturday morning just in time to go for a joy ride on the tractor?

ANSWERS:—Harvey Jorgensen, Joe Tierney, Smoky Lathrop, and Steve Tierney.

Ole Boesen.

Miss Helen Martin spent Sunday last at the home of Mr. Arthur Arrison.

Miss Ann Riley, Mr. Les Melbourne and Mr. and Mrs. F. Schaeffer and family were all Sunday visitors at the home of Mr. and Mrs. E. Heryford.

A crowd of Young People from Hussar and Makepeace had their first picnic of the season. Everyone found plenty of excitement. Fishing proved to be quite an attraction. Races of every nature were run and those being success-

ful winners were Miss Irene Heryford, and Mr. Sid Dundas. After a delicious lunch and refreshing drink they all gathered around the fire. A game of forfeits being the next on the programme. A few of the entertainers were: Mr. O. Blake playing the part of a farm lad and giving us a demonstration of how he chases cows, hitched horses, filled pails and other duties of the farm boy. Mr. B. Brassard played the part of a train engineer and gave an example of switching from one track to another. Later Mr. S. Dundas entertained by showing what was meant by a wild goose chase. Besides this and many more sports they all summed it up as a very enjoyable Sunday.

Mr. C. Rodbourne, and Mr. and Mrs. S. Rodbourne were callers at the home of Mr. and Mrs. E. W. Campbell on Monday evening.

HUSSAR

Mr. and Mrs. Roy McKinney and son, spent the week-end with their son and daughter, Mr. and Mrs. Bennie Wall. They left for Spokane on Monday morning.

Mr. and Mrs. Deral Graham, of Warner spent from Sunday to Wednesday visiting at the home of Mrs. M. M. Moffat.

Mr. and Mrs. W. R. McLean, and son Robert, and daughter Diane, motored down from Delburne to spend the long week-end with their parents, Mr. and Mrs. E. J. Bell. Mr. and Mrs. B. C. Bell motored down from Gadsby, to join the week-end house party; both cars left on Sunday.

The Young People of Hussar and district, held a farewell party in honor of Miss Joan Campbell and Master Roland Campbell, who, with their mother and brother, will be leaving Hussar, for Calgary, where they will reside in future. Mr. Ben Campbell, their father, enlisted some time back, and is in Calgary at present.

Mrs. D. Derriek spent the holiday with her parents and children at Exshaw.

Mr. Stewart spent the holiday in Drumheller.

Mr. and Mrs. Hans Buckschmidt and Mr. and Mrs. C. Jorgensen, spent the 24th in Drumheller; Mr. and Mrs. Steve Zackeruk returned with them.

Hussar is very pleased with the returns from their pupils in the recent Festival.

The Hussar Branch of the Red Cross which was organized last fall, has been active and through the donations of the Community and co-operation of its members, materials were bought made up and returned to Headquarters, also cash has been sent to the same quarters. The total receipts to date derived from Teas, Card Parties and Donations amounts to \$171.00.

Further activities are planned to hold a Dance in the Hussar Community Hall Wednesday, June 12th, to which everybody is cordially welcome.

Mrs. Burdett, chairman of the committee, shipped a large carton of sewing, geons, bandages, pneumonia jackets, etc., to Calgary on Monday's train; more sewing will be done as soon as the material can be obtained.

Mr. and Mrs. A. A. Clifgard and family motored up from Arrowwood on Sunday to visit Mrs. Ben Snyder and Mrs. L. Montgomery. Mr. Clifgard and June returned on Monday, but Mrs. Clifgard is visiting her daughter, Mrs. Ben Snyder for week or so.

Church Services, June 9th.

STAMPEDE

LOUIS CONN-BASSANO

Three Hour Vaudeville Attraction

The services of Jean Gauld and her professional entertainers of Calgary have been secured to provide the large crowd expected to be on hand with a three hour hit performance on the platform in front of the grandstand. Last year, these same entertainers performed for approximately an hour and a half, and the feature was heartily enjoyed by all. The grandstand attraction takes place between intervals in the bucking arena, and patrons are thus permitted to see all the show.

This attraction, inaugurated last year for the first time, proved such a success that members of the Board of Trade felt it should be enlarged upon this year. When making arrangements with the entertainers, this thought was kept in mind; and the show is being planned accordingly.

Carnival During Afternoon and Evening

Again this year, the carnival booths will be open on the grounds, and persons with a gambling instinct will be afforded an opportunity to try their luck on the wheels, on the boards and darts. Several new booths will be opened this year, including a sharp shooters gallery, a new wheel game, and a popular game called "Knock Hitler's Block Off." Members of the Board will man the booths and act as barkers.

In the evening, the carnival will be moved to the rink building, there to continue operations until the early hours of the morning. On the spacious dance floor at the west end of the rink, Len Davis and his six piece dance band will dish up snappy tunes for dancers. The Dance will conclude what

members of the Board of Trade, and persons assisting them hope will be one of the most successful Stampede and Carnivals ever presented before a Bassano audience.

Local Items of Interest

Mrs. Geo. Morrison was a Calgary visitor on Friday of last week.

Roy Smith and son Goldie, were business visitors in the city on Monday.

Mr. Eddie Marquardt and Mr. Maurice Edwards were among the week-end visitors to the city.

Mr. Lyle Parks, local C. P. R. Lineman, spent the week-end visiting with friends in Calgary.

Mr. Bob Patterson of the local bank staff spent the week-end visiting at his home in Calgary.

Mr. and Mrs. A. McKee were business visitors to Calgary on Monday of this week.

Don't forget the afternoon matinee at the Orpheum Theatre-5 p.m. "The Wizard of Oz" on Friday.

Mr. and Mrs. Chas. McKinnon spent Monday last visiting in Calgary.

Miss Jean Wallace of the Local Telephone Office Staff spent the week-end visiting at the home of her parents in Calgary.

Fred Thompson of Calgary spent the week-end visiting at the home of his parents, Mr. and Mrs. A. P. Thompson.

Mrs. D. Wans of Medicine Hat, spent Thursday and Friday of last week visiting with her daughter, Miss Lois Hunter.

Miss Chrissie Wight, teacher at Antelope Creek, spent the week-end visiting with her brothers in Bassano.

Frank Rockwell, proprietor of the local Texaco Service Station, was a business visitor to Calgary on Saturday last.

GAME OF SKILL

Many skeptic onlookers said it couldn't be done till the local milk man, Bill Ferguson proved it could. The near impossible was done by a steady hand and a strong eye, combined with shooting skill possessed only by a few.

The foregoing inference is to the game of skill recently installed by Shorty Foster at his recreation quarters in Bassano. The apparatus is merely an ordinary twenty-two rifle chained to a safety cylinder six feet from a target. The target is a small red 5 and the object is to completely destroy the red in three shots. Naturally the "anti" rises each time a card is shot out. In many cases a minute quantity remains showing to break the sportsman's mark. The man who had such remarkable luck last fall finds this exceedingly difficult to accomplish.

After many tries Bill Ferguson completely blasted the red fragments from the white card to pocket over \$25.

Comments have been passed that the game can't be beat but evidence is strong as Bill's is definite proof.

It has been suggested if a small caricature of Hitler replaced the illusive 5 every contestant would "crack the jack-pot."

Miss Margaret Kelly, who visited at the home of Mr. and Mrs. H. T. Johnson for a few days last week, returned to her home in Blackie on Saturday morning.

Mr. R. A. Gordon and Mr. Chas. Hanna were business visitors in Hanna and vicinity over the week-end.

Miss Carolyn Beeber who is attending business college in Calgary spent the week-end visiting her parents in Bassano.

Mr. and Mrs. J. Quin of New York visited at the home of Mr. and Mrs. Geo. Morrison for a few days this week.

Mr. and Mrs. L. Y. Bernie are spending a few days visiting with their daughter, Mrs. J. Forbes, of Wetaskwin.

Rubin Schaffer, employee in the local creamery, had the misfortune to slip and strain his back while working on the premises early this week. His many friends wish him a speedy recovery.

Miss Unice Marquess, who has been attending Normal School in Calgary, returned to her home in Bassano on Wednesday evening.

Mrs. C. Lewis and son Chester, accompanied by Jim McBride and Armand Zelenski motored to Calgary on Wednesday morning of this week.

Mr. C. Lewis resumed his former duties as coal chute operator at Bassano on Saturday, June 1st. Ed Downs operated the chute during Mr. Lewis' absence.

Mr. and Mrs. W. E. Sambrooke and daughter Myra, accompanied by Mr. and Mrs. A. Irving of Drumheller motored down on Wednesday afternoon and spent the evening visiting at the home of Mr. and Mrs. W. Redmond. Mr. Irving, District Grand Superintendent, and Mr. Sambrooke came to attend "Chapter."
